THVB will reimburse 50% of any runner's registration fees for races (either individual or challenge races, i.e. The Whale Challenge at Shamrock) whose registration fees are more than \$100 - for a maximum reimbursement of \$100. This is standard for any THVB-sanctioned race (defined as a race listed on the THVB website Event Calendar page). We will refund those individual runner costs to the runner upon proof of payment/race registration AND completion of the race. A THVB Board Member will endeavor to have checks on race day, but they may be mailed as necessary.

Example 1: Race fee is \$90 - THVB will reimburse \$0

Example 2: Race fee is \$180 - THVB will reimburse \$90

To ensure that you are reimbursed for these funds, please email your proof of payment (usually the confirmation email you get from the race registration) to THVBracedirector@gmail.com before the race.
